

BTSA Induction Directors Academy • 2006/2007

Outcomes

The **four day** academy format is designed to provide BTSA Induction Program Directors and leaders with two days of intensive job related tools and tips, some time back on the job, and then two follow up days designed to move more deeply into the role of a BTSA leader. ✪ In this information-packed academy, program leaders can learn how to analyze/use financial information, and gain the insight needed to understand the purpose, process, and results of program design and evaluation for strategic program improvement. Bring your questions, plan to network, and leave the Academy with your plan for success as a BTSA leader!
